## Scott County Republican Women February 2022 Newsletter

We want to send out a huge THANK YOU to all that were able to attend our SCRW @ Night event with Vivek Ramaswamy. We were thrilled to see over 100 in attendance and so many new faces! Vivek did an amazing job of sharing how the modern woke-industrial complex divides us as a people.

Our January luncheon was also a success. The opportunity to hear from our Board of Supervisors and ask questions on the controversial Juvenile Detention Center was much appreciated!
