June 2022 Newsletter**

What a great week it's been. I had the honor of taking my daughter to cast her first vote for our awesome Governor and other amazing candidates.

We do have a few friends who were in primary races and all fought hard to win. No matter the outcome we ALL need to come together, support the winners and go to battle against the democrats.

Our next meeting is Monday, June 13. Our Feature Speaker will be Ann Mohr with Attacking Trafficking. Attacking Trafficking is a faith based organization dedicated to ending human trafficking and to providing hope and healing for survivors.

We would like to thank Leila Vold for sharing her story with us at our lunch meeting in May (See minutes from May meeting [HERE](#)).

Also, a big thank you to Brenna Bird, Roby Smith, Todd Halbur, Mary Ann Hanusa and Jim Carlin for speaking at our Republican Women @Night group in May. I know it's sometimes a big ask to travel to Scott County, but it was great for our members to get to know who they are voting for.

Reminder: if you have volunteer hours to log for the

month of May, click [HERE!!](#) We have a great new button for you to pick up this month!
