Reminder - Our Call To Action For Governor Reynolds:

We have all seen the hostile words towards Governor Reynolds on social media. The negativity she's received, the criticism she has encountered with every decision she has made.

So, we would love to surprise her with a box of notes filled with encouragement, gratitude and appreciation for leading our state so well.

If you would like to have a note included, please send it to:

Governor Reynolds
C/O Scott County Republican Women
P. O. Box 612
Bettendorf, IA 52722.

We will add it to the box we give to her on March 10th.

We would encourage you to encourage your kids and teens to share a message as well. We think that hearing from young people will be a huge inspiration for her.

We'd love to send her off with an overflowing box of inspiration to get her through the campaign year!
